

Lyme Disease Action

Conference 2016

Moving forward

Where we were

2008 House of Commons Seminar:

MPs
Doctors
Patients

Each group presented, but no meeting of minds.
Patients faced with a brick wall -

Moving forward

Then all changed and we had.. 2013 PHE Open Day
followed by .. 2015 PHE Open Day

Slowly we have been moving down this long road and today for the first time, we have PHE and researchers as voluntary delegates.

Evidence that we **are** moving forward.

To patients, none of what we are hearing today is just an academic discussion. If you are ill, you cannot just walk away from it and start something else.
