@LymeAction

The missing component

Stella Huyshe-Shires

What do we need?

- A specialist clinic
- More than one specialist clinic

Why?

- Consider difficult cases
- Develop UK expertise
- Save the NHS money on repeated referrals
- Document complex UK cases
- UK biobank for research

Can we do it?

Agreement has been reached on proposal

Pilot clinic at 3 sites:

- Scotland
- Liverpool
- Bournemouth

Way forward

Planning!

Development of -

- Financial model
- Referral & triage
- Clinic procedures
- Communications protocol – GPs & patients
- Data collection

Building a model for rolling out nationally

Partners

Suppliers:

- Laboratories
- Consultants

Users:

- Patients
- GPs

Funders
